

Dear Members and Guests,

Coronavirus COVID-19

For the health and well-being of all our members and staff we would respectfully request that if you have recently returned from an overseas trip or if you feel unwell, particularly if you have flu-like symptoms and have not already done so, that you self-isolate. We all have a responsibility to minimise the possibility of the spread of the Covid 19 virus as it would have a massive health impact in our community.

The Royal and Women's Bowls NSW are meeting later this week to provide further guidance on their unified response to the pandemic. At this stage bowls will continue and while we don't have to contend with crowds of 500 at our venue, we do recommend you use your own best judgement in attending the Club.

Cancellations:

Please be aware that until further notice Rina's Thursday night dance classes will be suspended. In addition, the popular "DJ Rina" night is cancelled on Saturday 28th March.

We will continue to monitor and update our members and guests as news comes to through e-mail, our website and through internal advertising on any further developments and cancellations.

Regards,

Anthony Ryan

Secretary Manager

Asquith Bowling & Recreation Club
